

100% Gluten Free Australia - Melbourne, VIC

Apr 2018 v1.8

You will find Australia very gluten free aware, with GF often marked on menus. Melbourne is also home to quite a number of 100% gluten free cafes and bakeries. This list only includes businesses with a physical outlet (ie not purely online ordering).

At the end of the document is a list of 'nearly gluten free' venues - usually these businesses all gluten free except for serving oats/muesli as a breakfast option, so still worth a look!

Note: Some cafes are specialist gluten free cafes and thoroughly check the supply chain for e.g. 'may contain' statements and others just happen to be naturally gluten free, so it is still important to make your own enquiries.

Please see the disclaimer at the end of the document.

Some of these venues are reviewed here: <http://thecoeliacplate.com/melbourne-100percent-gluten-free/>

For a listing of other gluten free friendly venues, please see: <http://thecoeliacplate.com/gluten-free-melbourne-top-10-inside-10km/>
