The criteria for inclusion is that the food is 100% gluten free and has its own outlet that can be visited. (NB not all drinks are always gluten free.)

As many of these businesses tend to move around, *it is best to double check their website, Twitter or Facebook for locations, dates and times.* Twitter handles can be found underneath the venue name.

For 100% gluten free restaurants and cafes, see: www.thecoeliacplate.com/london-100-gluten-free
